## **SNC/FW LTD.**

TO WHOM IT MAY CONCERN!

Mr. R. Chisholm has worked for the Petrochemical Division of the SNC Group from May until September 1982.

Unfortunately, because of a great reductions of workload we had to let Mr. Chisholm go again after a relatively short period. We regret that we had to do this. Mr. Chisholm demonstrated that he works hard and produces results.

He had just arrived from England but adapted himself very quickly to our companies way of working.

I recommend Mr. Chisholm and wish him good luck for the future.
