Dear Sir:

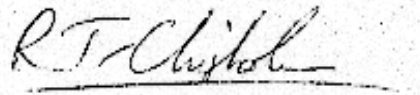

Unemployment, Financial Ruin and
Wrongful Dismissal From The SNC Group

Further to my letter to you dated December 15, 1983 about this, I am becoming very concerned about the lack of response to date to my request to you for help.

I cannot remain forever in a situation of just possibly being allowed to straighten out my life "this year, next Year, sometime or never" following SNC's blatant incompetence in their treatment of me and others brought over here from the U.K..

I am prepared to wait for a response until not later than April 15th, 1984, after which I am going to have to start asking some very difficult questions because circumstances may leave me with no alternative.

Yours faithfully,

R.T. Chisholm
