Dear Mr. Chisholm:

**Re: Application for Reconsideration
Tribunal File 0605-04207R - Robert Chisholm**

I acknowledge receipt of your application for reconsideration with regard to the decision delivered by the Tribunal on February 23, 2007 with respect to the hearing held on January 17, 2007 in this matter.

The Social Benefits Tribunal held a hearing in order to determine whether the Administrator had been correct to assess and collect an overpayment against you. After the member had considered and analyzed the material presented by you and by Mr. Fox, she concluded that the Administrator's decision had been correct. She indicated that you and the Administrator should enter into negotiations about how much you should pay each month because you had indicated that paying \$75.00 a month was causing you undue financial hardship.

In deciding whether or not to grant a reconsideration, I have had the benefit of the decision, your application for reconsideration and the objection filed by the Administrator. In my view, the decision reached by the Tribunal member is both reasonable and consistent with the legislation. I do not find that she erred. It follows that I do not find that there should be a new hearing in this matter.

This letter will serve to confirm the decision of the Tribunal in this appeal.

Yours truly,
